

LIVING GRACE GLOBAL SANGHA AGREEMENT 2023

Every single one of us contributes to the group field of the Living Grace Global Sangha. To create a rich and supportive container in which we can all benefit from being part, we ask that you agree and commit to the following:

- ❖ I have read and agree to the new Sangha format outlined on [this page](#).
- ❖ I agree to pay my full year's fees of \$660 (or 1st semester fees of \$165 if not possible) no later than 31 December 2022 to confirm my commitment for 2023.
- ❖ If paying by semester, I commit to paying \$165 by check/cash at the In-Person meetings in April, July, and October). I understand that this commitment is important to the sustainability of the Sangha throughout the year for all concerned.
- ❖ I have taken note of all the revised Sangha dates for 2023 and I commit to punctually attending as many sessions as possible.
- ❖ If I decide to leave the Sangha during the year, I understand that I must email 3 months' written notice to info@mirandamacpherson.com and that I will be expected to pay membership fees until the end of that 3 month period.
- ❖ I will respect and honour the openness, honesty and integrity of all members of the Living Grace Global Sangha by keeping any personal issues discussed in this Sangha as confidential. I will only discuss my own experiences outside of the Sangha.
- ❖ If I am unable to attend a session, I will email info@mirandamacpherson.com giving as much notice as possible. I will then listen to the recordings, make a date to do the inquiry practices with my Practice Pod and focus on the Deepening Recommendations.
- ❖ By participating in the Living Grace Global Sangha, I hereby waive any and all claims I may have against Miranda Macpherson and any of the Sangha members, and I release from all liability and agree not to sue for any personal injury, death, or damage to the person or property or loss sustained as a result of my participation in the Sangha, such as, but not limited to anything arising out of or in connection with the use of any services or facilities of Miranda Macpherson and Open Sky Retreat Center.

- ❖ I agree to all Zoom sessions being recorded and to these recordings being shared with all Living Grace Global Sangha members via a private YouTube playlist. I understand that if I interact personally with Miranda during these meetings then my image will appear on these video recordings. I give full permission for this recording to take place and to be used in this way.

- ❖ I understand that the instruction and advice presented by Miranda Macpherson is not meant to be used in place of professional medical advice and is not a substitute for professional therapy. I absolve Miranda Macpherson of any liability.

- ❖ I understand that my mental and physical health are my responsibility. I understand that all of the exercises and spiritual practices are optional, and I can choose not to participate at any time. I will stop participating and inform Miranda Macpherson if I feel uncomfortable with any of the activities suggested.
